

Weekends just got a lot more fun.

The all-new Fun Finder Lightweight travel trailer series.

Whoever said that choosing a lightweight travel trailer means sacrificing anything has never seen the interior spaciousness afforded by the Fun Finder Model T-189 FD. Just take a look at the full kitchen with large single-door refrigerator, full-size base and overhead cabinet storage, roomy dinette and comfortable sofa that both easily convert into beds.

Cruiser RV Corporation utilizes only the finest quality materials and construction techniques in the manufacture of our recreational vehicles. Our customers appreciate the attention to detail that goes in to each and every coach that we build. If you are in the market for a lightweight towable and are looking for the best possible value for your hard earned dollar - then Cruiser RV is your best choice!

Leading the Way in Lightweight Towable Luxury and Value!

The Fun Finder Model T-160 (shown to the right) is a hit with larger families with it's unique bunk bed layout, large wardrobe storage and overhead television cabinet.

Model T-180 Shown here with optional smooth fiberglass exterior.

This Fun Finder model (T-189 FBR) offers a spacious side dinette across from a full kitchen that features large base cabinet storage with doors and drawers, double bowl sink, a large single door refrigerator, and nice sized overhead cabinetry. At the rear of the coach is a separate commode room, large wardrobe storage space and a conveniently placed overhead television cabinet.

Even fellow campers who have much larger trailers will be jealous of the room in this spacious bathroom with full-size shower, large vanity linen storage, mirrored medicine cabinet, upgrade commode and overhead ventilation.

The Fun Finder Model T-189 FBR is perfect for the smaller family who wants to travel in affordable luxury and style. The queen size bed features a privacy curtain while offering comfort rarely found in a coach of this size.

The Fun Finder Model T-139 offers an incredibly spacious interior living space, featuring a full galley, roomy front dinette, and loads of base and overhead cabinet storage.

There Has Never Been This Much Spaciousness Designed into Just 13'!

You'll never lack for storage space in the Fun Finder 13-footer, featuring a full wall of cabinet storage, a nice sized refrigerator and convenient all-purpose countertop area.

The Fun Finder's optional front window awning floods the living area with natural light, while protecting the window during transit.

You can take the Fun Finder anywhere, as it is easily towed by even the most modest of mini-vans, SUVs and even the larger passenger cars.

The dinette quickly and easily converts into a bed, while the fold-down overhead bunk provides additional sleeping space.
